

BLOOMSBURY NV MAGNUM

An impressive larger-than-life expression of our signature English sparkling wine

GRAPE VARIETIES

48% Chardonnay, 33% Pinot Noir, 19% Pinot Meunier

VINEYARD

Grapes are sourced from our original estate vines, along with carefully selected partner vineyards across Southern England; typically south facing, with free draining slopes, on varied chalk, clay, gravel and sandstone soils. These sites range from between 10-50 metres above sea level, benefitting from a cool, maritime climate.

WINEMAKING

Handpicked grapes are gently pressed in whole bunches, and fermented in stainless steel tanks at 18-20°C, using classic sparkling wine yeasts. A selection of base wines go through malolactic conversion before blending with recent vintages and reserve wines. Secondary bottle fermentation takes place in our naturally regulated underground cellars with average lees ageing of 18 months.
